ProLite E2207WSV-1

The new 22” widescreen LCD continues to provide excellent value for money for the home and office user, with high specification and the new ‘OptiColour’ mode. This innovative new feature automatically adjusts contrast, brightness and RGB colour balance to its optimum conditions to whichever mode you chose whether Game, Text, Scenic or Cinema – and also enabling you to switch through these modes with ease and speed. The 1.8 mega-pixel resolution offers outstanding graphics. The PLE2207WSV is available in Black.
